

## **NuView Clients Named to Top Midsize Workplaces in Greater Boston**

Three NuView clients, Nutter McClennen & Fish LLP, Shawmut Design and Construction and Enterprise Bank, were all recently named to the Top 35 midsize companies to work for in greater Boston by the Boston Business Journal.

The awards recognize these company's achievements in creating a positive work environment that attracts and retains employees through a combination of employee satisfaction, working conditions and company culture.

More than 600 companies were invited to participate in the Top Places to Work ranking, with 293 completing the survey phase. All of the participating companies were placed into one of three size bands based on the number of employees. Small workplaces (100 to 249 employees); midsize workplaces (250 to 999 employees) and large workplaces (1,000 or more workers).

NuView congratulates these clients on achieving this high honor, and is proud that the NuViewHR® product suite enables them to streamline operations and efficiently deliver HR services, allowing them to focus their energies on creating a great work environment for their employees.
