

NuView to Announce New Payroll Service Bureau Option at American Payroll Association's 28th Annual Congress

Payroll Service Bureau Offering Connects with HR and Talent Management, Reducing Costs and Improving Productivity

Andover, Mass – May 24, 2010 – [NuView Systems Inc.](#), a global HR & Payroll software provider, announces a new Payroll Service Bureau offering to the marketplace at the American Payroll Association's 28th Annual Congress. An extension of NuView's Payroll software line, the new service can be fully integrated with a company's HR function and features a powerful, easy to use report writer that helps connect a company's HR and talent management operations with the payroll process.

NuView will be exhibiting in Booth #725 on May 25-29, 2010 at the Gaylord National Resort & Convention Center in National Harbor, Maryland to discuss the new offering.

Key highlights of NuView's Payroll Service Bureau offering include:

- **Integration** – US payroll that is integrated with HR, time keeping, so the system of record for the company enables efficiencies for IT, HR and Payroll departments
- **Cost savings** - reduces time-consuming payroll management activities such as printing checks, tax filing and preparing documentation, providing a solution that will save money, increase productivity and improve time management.
- **Compliance** - reduces administrative time, and organizational risk, by ensuring that the correct tax tables, filing deadlines, compliance with the New Hire Act, compliance updates for year end and year begin processing and other regulations are properly managed.
- **Accuracy** - NuView's Service Bureau helps organizations avoid painful payroll mistakes caused by inaccurate information.
- **Reliability** - NuView's Service Bureau ensures confidence that payroll will run when payroll professionals are away on vacation, at a conference or simply out of the office.
- **Scalability** - accommodates an influx of seasonal workers or new employees added through M&A activity so that they are paid quickly and easily.
- **Accountability** - NuView's Service Bureau removes the administrative burden from clients by paying employees on time, filing taxes, and producing W2's.
- **Security** - NuView's Service Bureau includes a secure database, secure logins and audit logs of all updates. Security steps are always taken to ensure that employee data is secure.

“NuView has a long history of providing companies with HR and Payroll services, and with our new Service Bureau offering, we're going even further to help organizations save valuable time and money, “

said Shafiq Lokhandwala, CEO of NuView. "The APA Annual Congress is the ideal backdrop for NuView's roll-out of this new offering, as this conference is a gathering of Payroll professionals most likely to appreciate the benefits and value of our Service Bureau."

The APA's 28th Annual Congress is the largest educational conference for everyone in payroll, accounts payable, HR and benefits. The Congress brings together payroll and accounts payable professionals from across the entire payment spectrum, including companies large and small, in government, education, manufacturing, services, retail, health care, and finance to share best practices, insights and ideas.
