

Leading Manufacturer of Motion Control Systems Selects NuViewHR®

NuView Systems announces that Aerotech, Inc., a leading designer and manufacturer of the highest performance motion control and positioning systems, has selected the NuViewHR product suite to support its global employee base.

Aerotech's precision motion control products provide the critical performance for today's demanding applications in markets such as medical device and life sciences, semiconductor and flat panel, photonics, automotive, data storage, laser processing, military/aerospace, electronic manufacturing and test, assembly, research and development and others requiring high precision, high throughput motion solutions.

Since 1970, Aerotech has designed systems for government, science, and research institutions around the world. Headquartered in Pittsburgh, Pennsylvania, Aerotech has 19 sales and engineering field offices in North America, as well as full sales and service facilities in the U.K., Germany, Japan, and China.

Aerotech will implement *NuViewHR's HR & Benefits Administration, Employee Self-Service, Manager Self-Service, Payroll and Legal Line modules.*
