

Leading Global Contract Research Organization Selects NuViewHR®

NuView Systems, Inc. announces that Chiltern International has selected the NuViewHR® product suite to unite their 1,500 global employees.

Headquartered in Slough, Berkshire, United Kingdom, Chiltern is one of the world's leading Contract Research Organizations. Established in 1982, Chiltern has grown steadily and strategically for more than 25 years, building their expertise, systems and client relationships.

With experience conducting clinical research trials in more than 40 countries, Chiltern's global commitment remains to provide the best clinical development services to clients worldwide. Driven by innovation, they offer clients global coverage and access to Chiltern's leadership at all levels, facilitating issue escalation and resolution. This creates a highly efficient and responsive environment, translating into cost and time savings and delivery success.

Chiltern will implement NuViewHR's *HR & Benefits Administration, Employee Self-Service, and Manager Self-Service* modules to support their employee base.

NuView Systems is excited to add Chiltern International to their growing International client base.

About NuView Systems

NuView Systems is a global provider of HR & Payroll software tools that enable business strategy through advanced technology, across the enterprise, on a worldwide basis. NuView's clients use our flexible technology to achieve their HR strategic vision. These organizations enjoy improved organizational effectiveness and global recognition for the strategic delivery of HR & Payroll services to their employees.

NuView's web native product suite has won numerous awards, including "Top Ten HR Products of the Year" by Human Resource Executive magazine, and a Human Resource Technology Excellence Award.

In 2009, NuView was named a CODiE Award Finalist for Best Human Resources Solution by the Software & Information Industry Association (SIIA) and was ranked on the Inc. 5000 list of fastest growing companies, achieving three year revenue growth of 335%.
