

Engineering the Right Solution: Selecting NuViewHR®

NuView Systems announces that Applied Research Associates, a leading engineering and research company, has chosen NuViewHR® to support their specialized workforce.

Applied Research Associates (ARA) provides a broad range of technical expertise in defense and aerospace technologies, civil technologies, computer software and simulation, systems analysis, environmental technologies, and testing and measurement. In addition, ARA provides sophisticated technical products for environmental site characterization, pavement analysis and robotics.

Founded in 1979 in Albuquerque, New Mexico, APA has an international reputation for solving complex weapons, security, environmental, transportation and readiness problems.

With 1,500 employees, APA has 73 offices in the U.S. & Canada, some of which have:

- Classified computing and storage
- SEI CMMI Certification
- SCIF facilities
- SIPRNET access

APA will implement NuViewHR's HR & Benefits Administration, *Employee Self-Service*, *Manager Self-Service*, *Performance Management*, *Payroll* and *Legal Line* modules to provide structure to their rapidly growing and geographically dispersed enterprise.
