

Transportation Research Center Selects NuViewHR® After Extensive (HR) Research

NuView Systems announces that Transportation Research Center Inc. (TRC), an independent automotive proving ground, has selected the NuViewHR® product suite to help manage its 800 employees.

Based in East Liberty, Ohio, and situated on approximately 4,500 acres, TRC provides comprehensive research, development and testing services, and facilities, to manufacturers, industry organizations and government agencies worldwide.

TRC conducts programs designed to test for safety, energy, fuel economy, emissions, durability, noise, crash, crash simulation and performance, testing trucks, buses, recreational vehicles, motorcycles, electric vehicles, passenger cars and components.

TRC was originally established in 1972 to enhance the health, safety, and general welfare of all inhabitants of the State of Ohio, to create or preserve jobs and employment opportunities, and to improve the economic welfare of the State of Ohio.

TRC will implement NuViewHR®'s HR & Benefits, Manager Self-Service, Legal Line and Payroll modules.
