

Sole Anthrax Vaccine Licensee Selects NuViewHR®

NuView Systems Inc. announces that **Emergent BioSolutions Inc.** has selected NuViewHR® to manage and support its 650 global employees.

Emergent is a biopharmaceutical company focused on the development, manufacture and commercialization of vaccines and therapeutics that assist the body's immune system to prevent or treat disease. Emergent's marketed product, **BioThrax®** (Anthrax Vaccine Adsorbed), is the only vaccine licensed by the U.S. Food and Drug Administration for the prevention of anthrax.

Emergent's BioDefense Operations Group is based in Lansing, Michigan, but the company has facilities throughout the U.S., and global facilities in the UK, Germany, Malaysia & Singapore.

Emergent BioSolutions will implement NuView's HR & Benefits, Employee Self-Service, Manager Self-Service, Recruiting, Candidate Self-Service, Performance Management, Compensation Management, Succession Management, Metrics and Legal Line modules.
