

NuView Systems Expands Global Footprint Opens London Sales Office; Will Exhibit at CIPD HR Show

Leader in HR & Payroll technology establishes base in UK, launches new international web page and announces plans to exhibit at CIPD's upcoming HR Software Show in London

Andover, MA and London – June 14, 2010 – Reinforcing its position as a leading provider of HR & Payroll software platform for global organisations, [NuView Systems Inc.](#) today announced the opening of a London sales office -- its first overseas location – in conjunction with the roll out of a new [international page](#) on its website that highlights NuView's global offerings and experience with global customers and partners. The company also announced plans to participate in the upcoming [CIPD HR Software Show](#) in London in mid-June.

NuView Systems is gaining global recognition for its ability to address the needs of multi-national organisations, incorporating a customer's global workforce under a single HR platform, making it easy to report globally and eliminating the need for separate HR systems within each country. Its product suite, NuViewHR®, is available in a variety of languages out-of-the-box, including English, Simplified Chinese, French, Spanish and German and can be easily translated to any language needed.

The new London sales office – located at 26-17 Southampton Street in Covent Garden, will be headed by NuView's Director of International Sales, Hugh Freeman, who joined NuView in 2005, starting as a Regional Sales Manager for the Northeast (United States), where he grew revenues and worked on many global opportunities and deployments. Freeman now covers continental Europe from Mandal, Norway and from the new London office, getting involved with the entire client lifecycle, from pre-sales/consulting through sales presentations, requirements mapping and post-implementation relationship management.

On June 16-17, NuView will exhibit at the CIPD HR Software Show in Olympia, London. NuView's CEO, Shafiq Lokhandwala, will be on hand to welcome prospects, customers and local media to reinforce NuView as a global provider of HR & Payroll solutions.

"NuView has long been a leader in addressing the needs of HR professionals, supporting organisations whose workforces extend across international boundaries and cultures," said Lokhandwala. "With the opening of our London office, we're building on our global focus and the strength of NuViewHR to provide a flexible solution to global companies based in the UK, and those in other regions."

About NuView

NuView Systems is a global provider of HR & Payroll software tools that enable business strategy through advanced technology, across the enterprise, on a worldwide basis. NuView's clients use our flexible technology to achieve their HR strategic vision. These organisations enjoy improved organisational effectiveness and global recognition for the strategic delivery of HR & Payroll services to their employees.

NuView's web native product suite has won numerous awards, including "Top Ten HR Products of the Year" by Human Resource Executive magazine, and a Human Resource Technology Excellence Award.

In 2009, NuView was named a CODiE Award Finalist for Best Human Resources Solution by the Software & Information Industry Association (SIIA) and was ranked on the Inc. 5000 list of fastest-growing companies, achieving three year revenue growth of 335%.
