NuView announces that **Rubicon Programs**, a nationally recognized non-profit organization, has selected NuViewHR to support and manage their employees.

Since 1973, Rubicon has built and operated affordable housing and provided employment, job training, mental health, and other supportive services to individuals who have disabilities, are homeless, or are otherwise economically disadvantaged.

In addition to regular employees, Rubicon offers work experience to participants as “trainees” who help primarily with maintaining Rubicon’s properties.

Based in Richmond, California, the agency offers services throughout Contra Costa County and the San Francisco Bay Area.

Rubicon’s mission is to create and deliver integrated solutions to profound social problems, in order to move people out of poverty and to improve the quality of their lives.

Rubicon will implement NuViewHR’s *HR & Benefits Administration, Recruiting Management, Candidate Self-Service, Employee Self-Service, Manager Self-Service, Succession Management, Metrics and Legal Line* modules to simplify and automate their HR needs and provide the organization with additional strategic HR tools.
